

Good for the earth, beautiful for your home

The EcoCare line of beautiful wall and tabletop frames are entirely Earth-friendly – even down to the packaging they come in! EcoCare uses only materials and components that have a high recycled content or come from renewable resources. It's good for our planet and what your customers are looking for.

Tree-free frame

Made from sustainable wood alternatives and reclaimed plantation woods which do not contribute to deforestation.

Organic, water-based finish

Free of harsh chemicals and solvents.

Recyclable glass

No plastic, anywhere.

Matboard

Recycled and completely biodegradable.

Backing board

Made from recycled wood pulp.

Packaging

Made from recycled paper. Can be recycled with other cardboard items.
